 EDDY COUNTY SAR

The purpose of the organization is to promote the common interest of volunteer groups dedicated to the saving of life and the relief of human suffering during emergencies in the state of New Mexico.

Other Purposes Include:

- To develop and maintain a genuine atmosphere of cooperation among all members of the Council.
- To conduct meetings for the exchange of pertinent emergency service information.
- To develop an efficient, working relationship with all levels of government. To include informing responsible agencies of the availability of resources and services offered by member groups as conveyed to the Council in writing.
- To suggest a common code of ethics and standards for all member groups.
- To study problems common to member groups and report findings.
- To promote a vigorous program of public education in urban, suburban and wilderness safety.
- To seek community and governmental support for volunteer emergency service groups and operations.
- To refer new emergency service groups to other member groups with similar interest for possible organizational and training advice.

The NMSARC has an elected Board of Directors whose role is to represent the members of the NMSARC by providing a unified voice to the state of New Mexico and its agencies. As an Active Member team, you can nominate and vote for board members, as well as run for the board yourself.

Donation Information

Although NMSARC does not solicit donations as a result of search efforts, often family and friends of lost or missing subjects will make donations to the State of New Mexico or the NMSARC. NMSARC is the organization that distributes the monies in accordance with NMSARC Donation Disbursement Plan. According to this plan any monies received are divided equally to all teams participating in the mission in accordance with NMSARC's written policy.

Please list a name and address to which checks for donation disbursements should be sent.
