

Dear NMSARC Teams,

If you're interested in being added to NMSARC's new Training Directory as a volunteer trainer, please complete the document below and email it to the Training Directory Chairperson at training_directory@nmsarc.org or mail it to NMSARC, PO Box 3396, Albuquerque, NM 87190.

The information you provide will help teams interested in training determine the extent and focus of your background. We will post the document on the NMSARC website so that teams can locate experts in their region.

The basic goals for the project include 1) more frequent and specific trainings for teams and 2) the bonding of our SAR community.

Name:
Team Affiliation:
Location:
Team member roles (ground, ATV, K-9, Tracking, ELT, SC, FC, AC, etc.):
