RE: Honorary NMSARC Team Member Status

Dear Herb:

It was a pleasure talking with you the other day.

Per our conversation the NM SAR Council Board has determined that your status has been changed to 'Honorary NM SAR Council Team Member'. This entitles you to 'free' membership for life.

Thank you so much for the passion and dedication to do what is right in setting the foundation of search and rescue within New Mexico. Because of the work you initiated in the early 1970's there are now over 37 active SAR teams around the state ready to serve their community.

Enclosed is your check voided.

We all look forward to seeing you at ESCAPE 2014.

THANKS FOR ALL YOU DO FOR NM SAR!

Best regards,

Karon Avery
