Last updated November 3, 2015

### **Mission #: 10-01-01**

Date: 2/3/2010

Subject: Female Skier

Teams Responding: None

Mission Summary: Subject was reported missing after lifts closed at SF Ski Area having last been seen commencing Big Tesuque descent. Subject's vehicle was located in the Ski area parking lot. SF Ski Area Ski Patrol started searching and SAR mission was initiated, but subject was located by Ski Patrol walking back on the road from the Big Tesuque exit area before resources were called.

### **Mission #: 10-01-02**

Date: 3/11/2010

Location: Santa Fe Ski Area

Subject: 27 year old male snow boarder

Teams Responding: Santa Fe SAR, Atalaya SAR, NMSnoDrift Breakers, Los Alamos Amateur Radio Club, Los Alamos Auxiliary Fire Brigade, Mountain Canine Corp, San Miguel SR

Mission Summary: Subject got lost and did not meet his friend at noon as prearranged. He boarded to the bottom of Sunset run and hiked back to the top where he took a wrong turn and ended up in the Nambe Lake area. Subject was located the following morning by NMSP 606 and was lifted out by NMNG Lobo.

### **Mission #: 10-01-03**

Date: 4/16/2010

Location: Santa Fe Ski Area

Subject: Male hiker

Teams Responding: Santa Fe SAR, Atalaya SAR

Mission Summary: Reporting party stated hiking companion had not returned to the car in the parking lot of Santa Fe Ski Area as agreed. Overdue subject walked out and returned to car.

### **Mission #: 10-01-04**

Date: 4/23/2010

Subject: Male Bicyclist

Location: Approximately 2 miles south of IB?

Teams Responding: Santa Fe SAR, LAAuxFireBrigade MCC, CAP, LAAMateur Radio Club, Sandia Search Dogs, Taos SAR, Atalaya, LASKi Patrol-K-9

Mission Summary: Subject had removed socks & shoes

Subject was initially nonverbal

Subject was found in fetal position

Subject became combative during EMS transport to Los Alamos hospital

Possible hypothermia from spending 2 nights out in cold weather / dehydration / despondent

### **Mission #: 10-01-05**

Date: 4/25/2010

Location: 0441581E by 396059N – NAD 27

Subject: Male Hunter

Teams Responding: Santa FE SAR

Mission Summary: Turkey hunter failed to return to vehicle as arranged. Father notified State Police and advised that he had contact with the subject. He was reported to be in the Rio Mora drainage. The father and the Ops SC hiked up the drainage and located the subject. He was returned to IB in good condition

**Mission #: 10-01-06**

Date: 5/1/2010

Location: Hyde Park, Santa Fe, NM

Subject: Two Hikers

Teams Responding: Santa Fe SAR, Atalaya SAR, MCC and Taos SAR

Mission Summary: Family of 5 overdue hiking in Hyde Park Area. Got turned around due to snow storm. Self extricated prior to resources leaving home

**Mission #: 10-01-07**

Date: 5/23/2010

Location: Santa Fe, N.M. area

Subject: Male runaway

Teams Responding: Atalaya SAR, Cibola SAR, Mountain Canine Corp, Santa Fe SAR

Mission Summary: Father reported subject was upset. having psychological and substance abuse problems. Subject jumped through a window and ran towards the mountain behind the house. The area was searched by ground teams and dog teams but were unable to locate. Subject reported to be at Mother's house in Eldorado on 5/24/2010.

**Mission #: 10-01-08**

Date: 6/15/2010

Location: Elk Mountain area of Pecos National Forest

Subject: Male hunter

Teams Responding: Sandia Search Dogs, Taos SAR

Mission Summary: This search was for a hunter missing since 9/6/2009 in the Elk Mtn. area. Four canine teams searched the area away from original search area where canine alerts occurred last year. Dogs alerted in same area this search in a definite line but no find was made.

**Mission #: 10-01-10**

Date: 7/22/2010

Location: Horse Thief Meadow in the Pecos Wilderness

Subject: Eleven hikers

Teams Responding: NM National Guard

Mission Summary: The National Guard was called out to evacuate a Boy Scout due to medical difficulties. The remainder of the group hiked out to Panchuela Trailhead.

**Mission #: 10-01-11**

Date: 7/30/2010

Location: Hyde Park Ranger Station, Santa Fe National Forest

Subject: Female bicyclist

Teams Responding: Santa Fe SAR

Mission Summary: Subject called by cell phone to 911, stated she was off the Winsor Trail and unable to find trail due to a wash out. She needs assistance to find the way out. Teams called out but subject walked out to Ranger Station. She was uninjured.

**Mission #: 10-01-12**

Date: 8/12/2010

Location: Rio Grande River at Buckman Road

Subject: Female swimmer

Teams Responding: Sandia Search Dogs, NMSP 606

Mission Summary: Subject decided to go for a swim in the Rio Grande River at about midnight. When she failed to return two friends went down the river searching for her. The NMSP Dive Team was called but they determined that the river was too clouded and too high to search. NMSP 606 searched the river for the subject every day but found no clue. The subject was located deceased at Cochiti Lake on 8/22 or 23/2010.

**Mission #: 10-02-01**

Date: 3/29/2010

Location: Osha Pass area-Forest Rd. 76, Carson National Forest

Subject: Four people on snow mobiles

Teams Responding: Angel Fire SAR

Mission Summary: Two of the subjects became separated and went a different direction. The other two ran out of fuel, walked back to their truck & trailer at the intersection of FR 76 & Hwy. 434. They refueled and went looking for the others. They were located and brought back to the truck where IB had been established. By the time the IC arrived, two subjects had left and the other two departed soon after the ICs arrival.

**Mission #: 10-02-02**

Date: 4/26/2010

Location: Camp Blue Haven, San Miguel County, NM

Subject: Father & Son Fishermen

Teams Responding: San Miguel SAR

Mission Summary: A young man and his Father in-law fished 5 miles of Tecolote Creek from Grindstone Spring to Camp Blue Haven. Fishing and rough terrain delayed them. It took less than an hour of hiking when they made contact.

**Mission #: 10-02-03**

Date: 7/10/2010

Location: Lone Pine Mesa on Forest Trail #223

Subject: Female hiker

Teams Responding: Angel Fire SAR, San Miguel SAR

Mission Summary: Subject intentionally separated from her hiking partners because she did not want to return the difficult route fearing it too dangerous for an elderly woman. She got turned around and called for help on her cell phone. She tried to tell the Dispatcher where she thought she was and NMSP 606 was sent to the scene to see if the lone pilot could see the subject. A ground team from the local fire department located the woman and helped her off the mountain.

**Mission #: 10-02-04**

Date: 7/22/2010

Location: Cito Road, Philmont Scout Ranch, NM

Subject: Male hiker

Teams Responding: Philmont SAR

Mission Summary: Subject reported lost at 12:50 via cell phone call to Philmont Logistics radio room. He separated from others on his crew during a hike to Tooth of Time from Ponderosa Park Camp. The crew members separated to look for him. Teams were sent to reunite the crew and insure their safety and gather information about the subject, containment was set up and area searched where subject was last seen. The subject walked out to Cito Road where he was located by a team member at 21:30

**Mission #: 10-02-05**

Date: 7/26/2010

Location: Porvenir Canyon, Santa Fe National Forest

Subject: Five hikers

Teams Responding: Santa Fe SAR

Mission Summary: The Subjects hiked up Porvenir Canyon on Friday and were unable to return to their cars on Sunday due to high water. They hiked up the canyon and over Hermit's Peak. They were in good condition and hungry.

**Mission #: 10-02-08**

Date: 10/2/2010

Location: Ranch NW of Raton

Subject: Male hiker

Teams Responding: Philmont SAR

Mission Summary: Lost hunter last seen on 10/1/10 hunting in a 4/4 on the Brilliant Ranch. Subject was found by Vermejo Park Security and returned to his hunting base.

**Mission #: 10-02-09**

Date: 9/2/2010

Location: Montezuma, NM

Subject: Male climber

Teams Responding:

Mission Summary: Subject was stuck on cliff at Montezuma. Gallinas VFD brought the subject down safely.

**Mission #: 10-02-09-B**

Date: 10/6/2010

Location: Forest Service Rd 153 – 469741 by 4015006 – Colfax County, NM

Subject: Male hiker

Teams Responding: Philmont SAR

Mission Summary: Subject went for a hike on FS 153, got about ¼ mile west of vehicle and lost directions. He called 911 and before resources could respond, he self evacuated. IC met him as he was driving home.

**Mission #: 10-02-10**

Date: 10/31/2010

Location: FR 76 between Luna Canyon and Tres Ritos

Subject: Male hiker

Teams Responding: Philmont SAR, Sand Miguel SAR

Mission Summary: Subject left home wearing only jeans and T-shirt. He planned to return by 1600 hours. Parents called Mora County SO at 1700 and they called NMSP. SP Officer tracked him up to elevation of 11,000'. He was located in good condition.

**Mission #: 10-03-01**

Date: 3/23/2010

Location: Last Chance Canyon

Subject: Three campers

Teams Responding: Eddy County SAR, Chavez County SAR

Mission Summary: Subject's camp stove started a wildfire, burning between camp and vehicle. Headed up toward Last Chance Canyon, "hold-up" for the night. Hiked back out, no injuries.

**Mission #: 10-03-02**

Date: 5/14/2010

Location: Robinson Draw, Queen, NM

Subject: Male hiker

Teams Responding: Eddy County SAR, Chaves County SAR

Mission Summary: Subject was camped at Robinson Draw near Cougar Rd when he left the rest of the group & went exploring looking for arrowheads. At about 1600 hours the subject's father and friends went looking for him. At approx. 1800 hours the subject's father reported him missing to the Queen VFD who initiated a road search of the area. NMSP was notified at about 2023 hours and initiated a search. Carlsbad PD K-9, Queens VFD and SAR responders searched through the night. Subject was located in good condition at about 0735 hours and returned to his family.

**Mission #: 10-04-01**

Date: 1/16/2010

Location: Radium Springs area

Subject: Father and daughter hikers

Teams Responding: Mesilla Valley SAR

Mission Summary: Subjects went up to the top of a mountain to lay flowers at a cross the father had installed in memory of his father. The subject was intoxicated. Both subjects were able to walk out on their own with the help of the fire department. The father was transferred to ambulance at IB.

**Mission #: 10-04-02**

Date: 2/18/2010

Location:

Subject: Female walk away

Teams Responding: Doña Ana County SAR, Mesilla Valley SAR, Organ Mtn. Tech. Rescue Sqd.

Mission Summary: Subject had walked away on 2/15/2010. Doña Ana SO investigated and activated SAR to search the rural desert areas adjacent to subject's PLS for signs of tracks and the subject herself. ATV & horses searched further distances but no clues were found. The mission was closed by the AC and teams returned to IB.

[Subject was later found deceased]

**Mission #: 10-04-03**

Date: 3/8/2010

Location: Las Cruces, N.M.

Subject: 15 year old male

Teams Responding: Doña Ana Mounted SAR, Mesilla Valley SAR, US Border Patrol

Mission Summary: Mother reported son missing to DA Sheriff's Dept. at about 0800 hrs. NM SAR was called after 1300 hours. A note left by the subject indicated he was in the desert. Note #2 was found at about 2000 hours. At that time it was determined that subject was a runaway and mission was closed at 2200 hours.

**Mission #: 10-04-04**

Date: 3/8/2010

Location:

Subject: 15 y/o male

Teams Responding: Doña Ana Mounted, Mesilla Valley SAR, Border Patrol

Mission Summary: Subject's mother reported her son missing to the Sheriff's Dept. about 08:00, they responded about 10:00 hrs. State Police were notified about 13:00 hrs. and a call out was begun. Two notes left by the subject indicated he had gone to the desert and it was then decided he was a run away. The mission was closed at 22:00 hrs.

**Mission #: 10-04-05**

Date: 7/25/2010

Location: Six miles SW of Hatch, NM

Subject: Male suicide

Teams Responding: Mesilla Valley SAR, D-4 SAR Support

Mission Summary: IC was contact on 7/25/2010 at 09:14 to initiate a mission and number was issued about 10:48. Heavy rains hampered the extraction for several hours; responders became stuck in the mud about 3 miles from IB. When the weather cleared and vehicles were moved SAR responders arrive at IB and the extraction of the subject was completed within a short time.

**Mission #: 10-04-06**

Date: 7/27/2010

Location: Camino del Rey and Country Club Circle, Las Cruces, NM

Subject: Male medical patient

Teams Responding: Doña Ana SAR, Mesilla Valley SAR, Sheriff's Mounted Patrol

Mission Summary: NM SAR assisted Las Cruces PD in looking for missing male patient.

**Mission #10-04-07**

Date: 8/31/2010

Location: 32.45907\* N x 107.06680\* W

Subject: Two males in a 4 X 4

Teams Responding: Mesilla Valley SAR

Mission Summary: Subjects went 4-wheeling in a jeep ran out of gas. Ran battery down and could not find way out 4 ATV's went to location of coordinates received from 911 Dispatch. Subjects were located in good condition.

**Mission #: 10-04-08**

Date: 10/10/2010

Location: Pine Tree Trail at Aguirre Springs, BLM

Subject: Female hiker

Teams Responding: Dona Ana Co SAR, Mesilla Valley SAR

Mission Summary: Subject was hiking with companions which included 3 dogs. They met with another hiker with a dog and while attempting to control her dogs, subject slipped on the trail and injured her ankle. Subject's husband hiked back into cell phone range and contacted 911 Center. Member of Dona Ana were hiking in the area and responded with the Las Altrus Vol Fire Dept and paramedics from AMR. Subject was packaged in a litter, extracted from the area and was transported to the hospital by American Response ambulance company.

**Mission #: 10-04-09**

Date: 11/10/2010

Location: State Road 404 @ MP 5

Subject: Three aircraft passengers

Teams Responding: None

Mission Summary: Single engine aircraft crashed into the mountain off of SR 404 MP 5. Three injured and one trapped in aircraft.

I was called out in case resources were needed to pack out subjects or equipment.

**Mission #: 10-05-02**

Date: 3/21/2010

Location: N35 173203 by W106 411278

Subject: Male hiker

Teams Responding: AMRC, Cibola SAR, NMSARST, BC-ARES

Mission Summary: Subject called his wife and said he could go not further. He was in waist deep snow and wet. Wife called 911 and subject was asked to call 911 for GPS coordinates. Subject was not dressed or prepared for deep snow.

**Mission #: 10-05-03**

Date: 3/2/2010

Location: Found at café in Bernalillo

Subject: 77 y/o male hiker

Teams Responding: NMSARST, AMRC, Cibola SAR, BC-ARES, NM Mounted, Sandia Search Dogs

Mission Summary: Subject with mild dementia walked away from his residence in Albuquerque. He had been know to hike in the Sandias and could cover long distances. The subject was located in a café in Bernalillo and was unable to give them his name. He was transported to UNMH.

**Mission #: 10-05-04**

Date: 3/30/2010

Location: 0370581 by 3894643

Subject: Three hikers

Teams Responding: NMSARST, BC-ARES, Cibola SAR, AMRC

Mission Summary: Subjects went on a day hike up Pino Canyon planning to hike up to the upper Tram. They became stuck in deep snow, unable to return before dark and were not familiar with the area.

**Mission #: 10-05-05**

Date: 3/31/2010

Location: Kiwanis Cabin – 13S 368673E by 3896614N

Subject: Two hikers

Teams Responding: BC ARES, Cibola SAR, NMSARS Team

Mission Summary: Subjects departed from Crest Parking lot with the intent to walk to the High Finance Restaurant. They made it to Kiwanis Cabin where they were stranded. Teams reached the subjects, warned & stabilized them then evacuated both by sked. Subject were transported to Presbyterian Hospital.

**Mission #: 10-05-06**

Date: 4/1/2010

Location: La Luz Trail

Subject: Two male hikers

Teams Responding: BC ARES, NMSARS Team, AMRC, Cibola SAR

Mission Summary: Subjects planned to hike from bottom to top of La Luz Trail, meet friend then drive back to Albuquerque. They got stuck on an ice ledge about ¼ mile from the top and couldn't go forward or back. Team reached subjects, performed a couple of technical raises then walked the subjects out.

**Mission #: 10-05-07**

Date: 4/10/2010

Location: Between the steps and the top crest on the La Luz Trail

Subject: Male hiker

Teams Responding: AMRC, Cibola SAR, NMSARST, BC-ARES

Mission Summary: Subject was dropped off at the bottom of the La Luz Trail at 0930 to hike to the top of the crest. He got stranded on ice and snow between the stairs and the top of the crest. Rescued by SAR teams, had no medical issues.

**Mission #: 10-05-08**

Date: 4/16/2010

Location: 35 16' 14.6N by 106 25' 2.5W (WGS84)

Subject: Male hiker

Teams Responding: AMRC, BCARES, NMSARSTeam

Mission Summary: Subject activated the "911" feature on his SPOT location beacon. SPOT placed him on Osha Springs trail in the Sandias. He was located on the trail by Sandoval County & Placitas resources before SAR resources deployed. He was uninjured – he had activated his SPOT because his dog was injured.

**Mission #: 10-05-09**

Date: 4/19/2010

Location: Giant Gas Station, 2nd St and Rio Bravo SW, Albuquerque

Subject: Female walker

Teams Responding:

Mission Summary: The 76 year old subject with dementia went out walking along ditch trail on the west side of the Rio Grande at 08:00. She was located approximately 4 miles from LKP by NMSP Officer who was canvassing local business. Find occurred moment after FC arrive on scene and before SAR resources had left home.

**Mission #: 10-05-10**

Date: 5/15/2010

Location: 35° 11' 45.58"N by 106° 25' 45.52"

Subject: Father & Son hikers

Teams Responding: BC ARES, Cibola SAR, NMSS Team, AMRC

Mission Summary: Subject set off at 12:00 for a day hike planning to insert at Elena Gallegos, take Pino Trail to Crest Trail – then Crest Trail to Upper Tram Terminal and catch the tram down. Subjects got stuck in deep snow on Crest Trail. They were found by searchers near the ski run and walked to the tram and brought down.

**Mission #: 10-05-11**

Date: 6/2/2010

Location: Near rock slides on La Luz Trail

Subject: Two hikers

Teams Responding: Albuq Mtn Rescue, Cibola SAR, NMSAR Support Team, BC-ARES

Mission Summary: Subjects had called 911 and talked to both BCSCO and SCSCO. Bernalillo CFD sent people into the field and located subjects before and SAR personnel made it to IB.

**Mission #: 10-05-12**

Date: 6/3/2010

Location: 35° 20226 by 106° 46141 – Sandia Wilderness 0.7 miles west of Thumb

Subject: Two male hikers

Teams Responding: AMRC, Cibola SAR, NMSARS Team, BC ARES

Mission Summary: Subjects started from Tram parking lot at noon to hike La Luz Trail. They went up Razamiento Canyon instead and got stuck at the base of the Thumb. They were located about ½ west of the Thumb and were walked out Razamiento Canyon to the parking lot.

**Mission #: 10-05-13**

Date 6/14/2010

Location: 13S 366100E by 3896800N (NAD 83)

Subject: Male hiker

Teams Responding: Cibola SAR, AMRC. NMSARS Team, BC ARES

Mission Summary: Subject went for a hike with a group up the La Luz Trail. He moved ahead of the group and became separated from them and incorrectly took a trail that led to Chimney Canyon. The others continued on their planned trip. Subject called for help at 18:00. Talked him out of Chimney Canyon and back to La Luz Trail. SAR team intercepted him on La Luz and walked him out.

**Mission #: 10-05-14**

Date: 6/18/2010

Location: Waterfall Canyon 35° 13.49 by 106° 28.39

Subject: Male suicide subject

Teams Responding: Albuq. Mtn Rescue, Cibola SAR

Mission Summary: This was a technical recovery of a subject that committed suicide off Piedra Lisa Trail.

**Mission #: 10-05-15**

Date: 6/24/2010

Location: 0336181E by 39959585N San Pedro Wilderness

Subject: Male hiker

Teams Responding: Albuq. Mtn. Rescue, Sandia Search Dogs, Cuba VFD, NMSAR Support Team NMMounted SAR, MCC, Santa Fe SAR

Mission Summary: Search was in the San Pedro Wilderness for an overdue hiker in the area of his back pack. Subject was found deceased.

**Mission #: 10-05-16**

Date: 6/26/2010

Location: 2 miles up Pino Trail

Subject: Female hiker

Teams Responding: Cibola SAR, Albuq. Mtn. Rescue

Mission Summary: Subject slipped on wet log and fractured her leg near the ankle while hiking down Pino Trail. She called 911 and BCFD affected a rescue requesting support from NMSP SAR

**Mission #: 10-05-17**

Date: 7/17/2010

Location: Tram Tower #2, West face of Sandia Mountains

Subject: Two male hikers

Teams Responding: NMSARS Team, Albuquerque Mountain Rescue, Cibola SAR, BC ARES

Mission Summary: Subject hiked to the base of Tower #2 where 13 year old subject fell and injured his ankle slightly. His father called the Tram and demanded that it stop and pick them up. They were advised that it was against Tram policy so they contacted NMSP. Teams hiked to their location, wrapped the ankle and after giving them food and water, they were able to walk out on their own. The Tram lowered water to the subjects and to the teams as it was extremely hot that day and they depleted their own supplies.

**Mission #: 10-05-18**

Date: 7/19/2010

Location: Armijo Nature Trail & Faulty Trail

Subject: Female hiker

Teams Responding: NMSARS Team, Albuquerque Mountain Rescue, Cibola SAR, BC ARES

Mission Summary: Subject & husband started to hike the Armijo Nature Trail at 09:30, when they came to a steep part of the trail, the subject collapsed with difficulty breathing. A USFS crew called for BCFD and they stabilized the patient with IV therapy and called SAR for assistance in evacuating her down the mountain. Subject refused transport and BCFD obtained an informed refusal and released her.

**Mission #: 10-05-19**

Date: 7/20/2010

Location: 35° 11.10 by 106° 13.676

Subject: Husband & wife hikers

Teams Responding: NMSARS Team, Albuquerque Mountain Rescue, Cibola SAR, BC ARES, Sandia Search Dogs

Mission Summary: Subjects went for a day hike on Campbell Range, ran out of food and water and could not make it back to their vehicle. They called E911 from location @ 35° 11.106 by 106°13.747. Subjects were assessed by medical personnel from BCFD and released.

**Mission #: 10-05-20**

Date: 8/17/2010

Location: Cabezon Peak Northwest Face - 35\* 35.96 by 107\*5.70

Subject: Three Male climbers

Teams Responding: AMRC, BC ARES, NMSARS Team

Mission Summary: 19 y/o Male subject fell off the trail while in route to the top of Cabezon Peak with two friends. He fell approx 45 feet and sustained head injuries. He was hoisted out by a NMNG Blackhawk helicopter whereupon he was transferred to PHI medical helicopter to UNMH Trauma Center. There were 3 Torreon VFD personnel that had to be extracted off the side of the cliff where they had been stranded while trying to reach the subject. Unified Command was utilized and good cooperation allowed the mission to be successful. The subject was reported stable in the hospital the next day.

**Mission #: 10-05-21**

Date: 8/18/2010

Location: N35\* 14.7 by 106\* 26.02

Subject: Male hiker

Teams Responding: BC ARES, AMRC, Cibola SAR, NMSARS Team

Mission Summary: Subject called BCSO Dispatch and reported that he was lost, out of water and on a cliff on the back side of the Sandia Mtns. The dispatch center got his phase 2 data off the cell phone and then dispatched their helicopter Metro 1 who located the subject and then tried to direct BCFD teams to the subject but they could not negotiate the terrain and called for NMSP to affect the rescue. SAR team found the subject in about 40 minutes once on scene, rehydrated and fed him, then walked the subject out to IB where his motorcycle was parked.

**Mission #: 10-05-22**

Date: 8/24/2010

Location: UTM 0282930 by 3935430

Subject: Male Wildland Firefighter

Teams Responding: NMSARS Team, NMANG D-6, Cibola SAR, NM Mounted, Sandia Search Dogs

Mission Summary: 25 y/o male BLM Wildland Firefighter became separated from his two companions while chasing a suspected plume of smoke. He was unprepared in that he did not have his wildland FF pack so all he had were the clothes on his back and a bottle of water and a power bar. Subject became disoriented and spent the night in the canyon and was spotted walking out of the canyon by a strike team the following morning.

**Mission #: 10-05-23**

Date: 9/16/2010

Location: Flake and Bake east of La Cueva picnic ground

Subject: Three climbers

Teams Responding: NMSARS Team, AMRC, Cibola SAR, BC-ARES

Mission Summary: 59 year old climber fell breaking his leg and possibly injuring his back at 35\*12'25.6" 106\* 28' 37.6". He was airlifted out and transported to the hospital. His fellow climbers were uninjured and left in their own vehicle.

**Mission #: 10-05-24**

Date: 9/23/2010

Location: Sand Bar in middle of Rio Grande

Subject: Male (unknown activity)

Teams Responding: BC ARES, Cibola SAR, NMSARSTeam, Sandia Search Dogs

Mission Summary: During severe storm subject fell in an arroyo near Indian School Rd, was swept downstream. ABQ Journal photographer took pictures of subject in drainage system called 911. AFD and BCFD swift water teams searched for 1.5 days then contacted NMSP SAR. Teams searched drainage system and Rio Grande. Subject found deceased on an island/sandbar in the middle of the river.

**Mission #: 10-05-25**

Date: 10/3/2010

Location: 13S365369178 by 3895943

Subject: Male and female hiker

Teams Responding: AMRC

Mission Summary: Subjects took tram to the top of the mountain, then hiked the La Luz Trail the across the Spur Trail toward the lower tram terminal. They made slow progress. After dark their flashlight died. For safety, they called for help and stayed in place - concerned about terrain. Team walked in & escorted subjects out.

**Mission #: 10-05-26**

Date: 10/9/2010

Location: WGS84 UTM 13S0371210 by 3892704

Subject: Female hiker

Teams Responding: AMRC, Cibola SAR

Mission Summary: Subject, a 70 y/o female, began to experience hip pain while hiking Pino Trail from Elena Gallegos picnic area (approximately 4 mile hike with about 4,000' elevation gain) Reporting party was a hiker who met her on the trail and called 911. RP's information was eventually relayed to NMSP SAR. Patient was assessed to have strained a muscle in her leg and was unable to bend it at hip or knee. Subject was packaged for transport and evacuated to waiting ambulance at Tree Spring Trailhead by wheeled Stokes litter.

**Mission #: 10-05-27**

Date: 10/14/2010

Location: About 800 feet down west side of crest, west of towers

Subject: Two female climbers

Teams Responding: AMRC, Cibola SAR, BC-ARES, NMMounted SAR, NMSARS Team

Mission Summary: 911 call by RP to BC SO regarding 2 fallen climbers one with broken ankle. Cell phone GPS location was 35.220150x106.516998. Ground response made contact with subjects, assessed and stabilized. One female airlifted by NMANG to UNMH, other subject walked out.

**Mission #: 10-05-28**

Date: 10/23/2010

Location: WGS84 UTM 13S 033306E by 3930425N

Subject: Female bicyclist

Teams Responding: AMRC, Cibola SAR, NMSARS Team

Mission Summary: Subject a 42 y/o female left vehicle at parking lot of White Mesa bike trails at aprox. 17:30. Nightfall arrived at 18:20 at which point subject, who had no light, extra clothing or food, was unable to find her way back to the parking lot. She discarded her bike and hiked by moonlight in an attempt to return to her vehicle, but became stuck in steep terrain below a vertical cliff face of frangible gypsum. Subject was located by Sandoval SO who were unable to reach her. She was extracted in a straightforward high-angle technical rescue.

**Mission #: 10-06-01**

Date: 1/20/2010

Location: FR 50 & FR 480 - Zuni Mountains
