Dear Friend of Search and Rescue,

The **New Mexico Search and Rescue Council (NMSARC)** provides support to 38 volunteer search and rescue teams in New Mexico, comprised of more than 1,000 volunteers dedicated to saving lives during wilderness search and rescue emergencies. Search and Rescue is managed through the New Mexico Department of Public Safety; however, it is not a funded activity in the state budget. As such, we must self-fund the activities and trainings that keep our volunteers' skills sharp and up-to-date.

The NMSARC is seeking sponsors for ESCAPE 2019, our annual training conference, to be held at NM Tech University, in Socorro on May 17-19, 2019. The 39th annual three-day conference will provide the New Mexico Search and Rescue community with an opportunity for education, networking, sharing of new technologies and techniques, and the ultimate improvement of search and rescue skills.

We have established several sponsorship levels that provide a great opportunity for your organization to support volunteers in New Mexico! The following page details the benefits you would receive and includes an application should you choose to participate. In addition to sponsorship opportunities we are also seeking items for our popular Silent Auction — gift certificates, goods, and services.

The NMSARC is a not-for-profit 501(c)(3) organization; our EIN is 85-0429807. The donations you make are not only appreciated, but are tax deductible to the extent allowed by law.

We would like to thank you in advance for your time and participation. Without supporters like you, New Mexico Search and Rescue would not be as effective in its efforts to help those in their time of need.

Sincerely,
The NMSARC Board of Directors
Aimee Adamek, ESCAPE Chair
