No updates from Tyler and Rebecca

A few inquiries about Individual memberships - David

Need to think about membership renewals for 2022

Tyler is now employed in state

Training

Rick will touch base with Bootheel SAR

Communications

Asked Tyler about M Mtn., tried to forward State notice about Digipeater rent to Upper Rio

TARA does not pay rent on West Peak

### Mapping & Admin

Some people needed to be added back to the NMSAR email forum after an update by Google  
Some website updates by David

### New Business

Dawdy Award had a single submission this year, motion to accept by David, Second by Jon

Communications Grant by Ron, possible grant from a non-profit for new radios that offer DMR and APRS tracking capability. These would be made available to the teams at no cost on a long-term loan basis.

Tyler mentions that Socorro SAR is looking at obtaining some new radios.

(Atalaya is planning to purchase a few new radios by 2022)

Will survey teams to determine the number of radios needed.

Erik has finished editing the 2019-2021 mission data and it will be posted to the website soon.

Next Board meeting will be at 1900 on January 10th 2022.

Adjourned on November 11th at 2002
